GTPPL
The Power of Applied Intelligence

GREEN THERMO POWER PVT. LTD.

POWERING INDUSTRIES.
EMPOWERING TOMORROW.

Delivering **innovative**, **reliable** and **sustainable** solutions with a commitment to excellence in every project.

SAFETY FIRST
Zero Tolerance.
Zero Compromise.

PERFORMANCE EXCELLENCE
Delivering Excellence,
Every Time.

RELIABLE SOLUTIONS
Reliable Performance.
Consistent Results.

BUILT ON TRUST
Built on Integrity.
Strengthened by Commitment.

Innovating Solutions,
Powering Progress

GREEN THERMO POWER PVT. LTD.

The Power of Applied Intelligence

01 POWER PLANTS

- Boiler & Turbine Systems
- Balance of Plant (BOP)
- Erection & Commissioning
- O&M Support

02 HYDRO PROJECTS

- Civil & Electro-Mechanical Works
- Erection & Commissioning
- Rehabilitation & Upgradation
- O&M Services

03 FABRICATION & ERECTION

- Structural Fabrication
- Piping & Ducting
- Equipment Erection
- Heavy Steel Structures

04 SHUTDOWNS & MAINTENANCE

- Planned Shutdowns
- Overhauling & Repairs
- Retrofitting & Upgradation
- AMC / Annual Maintenance

05 PROJECT MANAGEMENT SOLUTIONS

- Planning & Scheduling
- Resource Management
- Quality & Safety Assurance
- Cost & Risk Management

06 DISTILLEERY & ETHANOL SOLUTIONS

- Plant Erection & Commissioning
- Process Equipment Installation
- Evaporation & Fermentation
- O&M & Efficiency Improvement

07 SUGAR PLANT SERVICES

- Erection & Commissioning
- Process Piping & Equipment
- Boiler & Utilities
- O&M & Process Optimization

08 ENGINEERING & DESIGN

- Conceptual to Detailed Engineering
- Process & Mechanical Design
- 3D Modeling & Drafting
- Project Management

WHY CHOOSE GREEN THERMO POWER PVT. LTD.?

ENGINEERING EXCELLENCE
Innovative solutions delivered with precision.

SAFETY FIRST
Zero compromise on safety & well-being.

SUSTAINABLE SOLUTIONS
Committed to environment & responsible practices.

EXPERIENCED TEAM
Skilled professionals driving excellence.

TECHNOLOGY DRIVEN
Advanced technology for better performance.

LONG-TERM PARTNERSHIPS
Building trust through reliability & results.

Amit Kr. Mishra

CEO

20+ years of experience in Engineering Services

CEO MESSAGE

"Our business model is designed in such a way that it suits your budget & quality. We do business based on faith and have very flexible terms of business, suiting buyers' requirements. We would be highly thankful to receive your inquiries and assure that you will enjoy your business with us."

VISION

GTPPL's vision is to become a pioneer in power, infra & process industries with global standard and play an important role towards the all-round growth of the country.

MISSION

GTPPL's Mission is to satisfy the customers by providing prompt services & cost-effective projects with completely customized solutions by applying intelligence and the latest technology.

ABOUT US

Green Thermo Power Pvt. Ltd. is a trusted engineering company delivering innovative solutions for Power Plants, Steel, Sugar, Ethanol, and Process Industries across India. With a strong commitment to quality, safety, and operational excellence, we have successfully executed 70+ projects in the fields of Design & Engineering, Erection & Commissioning, Operation & Maintenance, and Manufacturing & Fabrication of Material Handling Systems.

Driven by a team of experienced professionals and a customer-centric approach, we consistently deliver reliable, efficient, and sustainable solutions, making Green Thermo Power a preferred partner for industrial growth and excellence.

WHY CHOOSE GTPPL?

- **70+** Successful Projects
- Commitment to Quality, Safety & Reliability
- Experienced Engineering Team
- Power, Steel, Sugar, Ethanol & Process Industries Experts
- End-to-End Engineering Solutions
- Customer-Centric Approach for Sustainable Growth

- Customized Conveyors
- Material Handling Systems
- Turn-key Fabrication Solutions

WHY CLIENTS CHOOSE GTPPL?

PROVEN EXPERTISE
Delivering engineering excellence across industries.

RELIABLE PARTNERSHIP
Building long-term relationships based on trust.

TIMELY DELIVERY
Committed to quality, safety and on-time execution.

CUSTOMER FOCUSED
Tailored solutions that drive performance and value.

OUR PRESENCE

- Delivering excellence across India and around the world.
- Strong presence in Power | Process | Industrial sectors with successful projects across India and international markets.
